

60TH ANNUAL

FEBRUARY 9TH-25TH 2024

MESSAGE FROM THE MAYOR

On behalf of my colleagues on City Council and the citizens of Prince Albert, I would like to extend a warm welcome to everyone attending the **60th Annual Prince Albert Winter Festival** held on February 9 - 25, 2024.

The Winter Festival demonstrates the spirit of Prince Albert's tradition and true heritage with activities such as music shows highlighting talent throughout multiple genres. Attendees can take in a multitude of competitions ranging from jigging to the infamous Beard Derby and numerous outdoor events and activities for the whole family. It is one of the most anticipated events of the season!

A big thank you is extended to the many participants for your continued support and displaying your talent and skills in your chosen event.

To the organizers and volunteers, I thank you for your continued dedication and tremendous effort, which results in a Festival that we are all proud of. It takes countless volunteer hours to pull off a well-organized event and this festival would not be possible without you.

Our City will be buzzing with activities at the Prince Albert Exhibition Centre, E.A. Rawlinson Centre for the Arts, Alfred Jenkins Field House, and outdoor site on Marquis Road West, so please make time to stop by. Your attendance is one of the best ways to have fun with friends and family and connect with your fellow citizens!

I encourage you to visit the Prince Albert Winter Festival website for more information about the event at:

Congratulations on 60 years and sincere best wishes for another successful Winter Festival,

Celebrating 60 years of Winter Festival Magic!

*Winter Festival on the River bank
Prince Albert Historical Society, H 834, 1973*

OUR VISION

The vision of the Prince Albert Winter Festival is to continually inspire all members of our community through participation and activities, to proudly enjoy and celebrate the wonderful uniqueness of our northern community each winter at our Winter Festival.

In 1964, a group of like minded individuals got together and decided that Prince Albert needed some winter fun. The Prince Albert Winter Festival was born!! Yes, there was a festival back in the 1920's but it only lasted for a few years.

Prince Albert Historical Society, JL 68, 1929

This year's Honorary Chair Person for the Tux & Toques Gala, is all of the Past Presidents that have worked countless hours to help keep the festival going strong year after year. Starting with the first president Orville Erickson in 1964, JJ Cenon, Glen Martin, Erwin Bower, Bob Binder and Jim Foster in the early years to the last 5 people who have taken on this task: Bev Erickson, Barry Mihilewicz (founder of the Tux & Toques) , Darrell Prokopie, Jim Stiglitz and Jane Smith. Their commitment shows just how important the festival is.

These individuals work year round making sure that all the T's are crossed and the I's are dotted. They work evenings, weekends, and Yes, even holidays! All for nothing more than the satisfaction of being involved with a group of people who work tirelessly together to make a cold winter month less harsh. Throughout the 60 years, many different presidents that have had the job to persevere through all types of situations. Not all decisions that are made are favoured by everyone. There have been some pretty big shoes to fill when it comes to this position.

Every person who has ever been on a board knows the volunteer hours that go into making an event successful. Try running an event for 3 weeks that has been in the planning stages for the entire year! Keeping people happy and putting out fires that crop up, is just part of what these people do. The PA Winter Festival Board is a working board not an advisory board. Every member of the board deserves the honour of being recognized.

The simple description of the job of a president is: They shall preside at all meetings of the corporation and the board of directors. They shall have the general and active management affairs of the corporation. They shall see that all orders and resolutions of the board of directors are carried into effect....sometimes not an easy task. We would like to thank everyone that has ever volunteered time and energy to any cause, board or event. Being part of a community is what makes everyday living just a little bit more special... a special thank you to the ones who take the lead roles. Without them, who knows where things would be?

THANK YOU to all of the Past Presidents of the Prince Albert Winter Festival.

Proud supporters of the Prince Albert Winter Festival!

Message from the Prince Albert Winter Festival President

Welcome to the 60th celebration of the Prince Albert Winter Festival. Throughout the years, it has literally taken an army of people to keep the festival alive and going!! From its start in 1964-being an idea to get over the winter blues and get people outdoors during the long winters- to the present day, where people are still enjoying the events from the past, with a modern twist.

The diversity of Prince Albert has grown throughout the years as well. It takes new leadership to continue growth and to bring people together. If you have ever thought of becoming part of the longest festival in Western Canada, check out our website- www.pawf.ca and fill out the volunteer form, or drop us a message on Facebook. We welcome anyone who would like to be involved.

Community participation is the key to all successful events. Whether it be a sponsorship, a donation, a gift in kind, volunteering or just attending the events and buying a button...the support from the community and surrounding areas are what keeps it going.

From the present Board of Directors and all those involved, we hope you enjoy this year's festival. Get out and have some fun! The festival runs this year from Feb 9- Feb 25. Keep watching the Prince Albert Shopper and the Daily Herald for all updates. And listen to Pattison Media stations, CJWW and MBC Radio.

Lastly, we'd like to welcome aboard Lake Country Co-op as the Title Sponsor of this year's festival! All tickets and buttons can be purchased from their locations.

Angela Joy Dela Cruz - Singer

Angela Joy Dela Cruz, originally from Pangil Laguna, Phillipines, has been singing her entire life. At the age of one, her mom sang her Alicia Keys as lullabies, and she's been singing ever since. More recently, she's performed in Upstage Production's *Jesus Christ Superstar* and both *Rocky Horror* and *Rock of Ages* put on by Broadway North here in Prince Albert.

After attending the Prince Albert Winter Festival last year for the first time, Angela knew she had to audition for a show in 2024. This year will mark Angela's debut performance in a Winter Festival show, when she takes the stage on February 24th & 25th as part of the Rock Show Experience.
